MARCH 1, 2017.

Hon. PAUL RYAN,
*Speaker of the House of Representatives, U.S.
Capitol, Washington, DC.*

DEAR SPEAKER RYAN: Pursuant to 44 U.S.C. 2702, I am pleased to reappoint Mr. John A. Lawrence of Washington, D.C. to the Advisory Committee on the Records of Congress.

SALUTE TO MEALS ON WHEELS

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, today commemorates the 15th anniversary of March for Meals. This month-long grassroots campaign seeks to raise awareness about senior hunger and isolation. It also celebrates the proven private-public partnership of government, local community organizations, businesses, and compassionate individuals coming together to ensure that America's seniors are not forgotten.

As chairman of the Agriculture Subcommittee on Nutrition, I know how important this program is to seniors across America. One in six seniors might not know where their next meal is coming from.

But on March 22, 1972, President Nixon signed into law a measure that

establishes a national nutrition program for seniors 60 years and older.

For nearly 45 years, these critical programs—commonly referred to as Meals on Wheels—have delivered more than just nutritious meals to home-bound seniors in virtually every community across the country.

Meals on Wheels programs have come together each March, since 2002, to celebrate this proven collaboration of local community organizations, businesses, all levels of government, and compassionate individuals to ensure their seniors are not forgotten.

Thank you to everyone who works to help our seniors live healthy lives.

ATTACK ON WOMEN'S HEALTH

(Mrs. WATSON COLEMAN asked and was given permission to address the House for 1 minute.)

Mrs. WATSON COLEMAN. Mr. Speaker, today begins Women's History Month, and I am proud to use this occasion to lift up our achievements, our perseverance and dedication to a more equal and balanced world. That is why it is so unfortunate that my colleagues on the other side of the aisle and President Trump's White House insist on harming women through their stubborn adherence to antiwomen policies.

One prime example is their assault on the Affordable Care Act. The facts are clear: ACA prohibits charging women more than men for insurance; ACA establishes preventive services to be provided at no extra cost to women, including annual well-women exams, breastfeeding support, supplies for new moms, birth control, and screening and counseling for domestic and intimate partner violence; 9.5 million previously uninsured women now have coverage through ACA; 55 million now have access to vital preventive care at no cost.

These are not alternative facts or fake news. If this is the Trump Republicans' gift to us in celebration of Women's History Month, I hope they keep the receipt.

CONGRATS EDINA GIRLS HOCKEY
CHAMPS

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Mr. Speaker, I want to offer a big congratulations to the Edina Girls hockey team for winning its very first Minnesota high school State championship.

The Hornets dominated in the championship game just last weekend, winning 4-0. Senior forward Lolita Fidler led the way with an early goal in the first period, finishing with two goals. On the other end, senior goalie Anna Goldstein stood on her head throughout the tournament, allowing just one goal in three games.

The girls squad finished with an impressive 28-1-1 record under head coach Sami Reber, who is a former Edina hockey player herself, bringing the title to her alma mater.

Edina's run of excellence is a testament to their program's serious dedication on the ice, in the classroom, and in their community. On top of giving their all in their sport, these students also strive academically and contribute in positive ways at home and among their peers.

Mr. Speaker, we are so proud of these student athletes, and it is fun to see Edina bringing their very first State high school hockey championship home.

Go Hornets.

REACTION TO PRESIDENT
TRUMP'S ADDRESS

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, last night President Trump delivered a speech that was long on campaign themes but short on specifics. It seems the President is more interested in political theater than leadership, and it showed. He was very vague on every topic he discussed, from health care to trade, to tax reform.

The campaign is over, but it is clear President Trump hasn't moved on. Where is his interest in governing and in leading this Nation? I don't see it. Just the day before, in his speech, he discovered that health care is unbelievably complex.

Every day since the inauguration President Trump has shown that he is ill-prepared, ill-tempered, and ill-informed, and he does not understand what governing is about. His speech did not change that.

It is time for President Trump to stop talking about bringing this country together and actually make an effort to do so. He needs to engage Congress, including the Congressional Black Caucus. He needs to move from platitudes to plans, and he also needs to act on the priorities of the American people.

The SPEAKER pro tempore. Members are reminded to refrain from engaging in personalities toward the President.

REDDING VA LEASE APPROVAL

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, my district is home to nearly 60,000 men and women who have served in our Nation's Armed Forces, and many more are still serving today. Yet for too long, veterans have had trouble receiving veterans medical care in our area, instead being forced to travel to Sacramento or farther from places like Redding, Chico, or Yreka.
